

# Numax Batteries

## Tubular Batteries

IND Models	Nominal Voltage	Capacity @ (10 hrs.)	Length	Width	Over All Height	Acid Charged ± 500Gms
N50Z	12v	20AH	260	170	235 MM	18.50 KGS
N100	12v	40AH	410	175	245 MM	24.50 KGS
N150	12v	60AH	515	210	250 MM	36.00 KGS
N200	12v	80AH	515	275	255 MM	45.00 KGS
N200	12v	100AH	515	275	255 MM	48.00 KGS
N200	12v	120AH	515	275	255 MM	50.00 KGS
N200	12v	150AH	515	275	255 MM	53.00 KGS

## Tall Tubular Batteries

IND Models	Nominal Voltage	Capacity @ (10 hrs.)	Length	Width	Over All Height	Acid Charged ± 500Gms
IT500	12v	100AH	505	190	415 MM	54.00 KGS
IT500	12v	120AH	505	190	415 MM	56.00 KGS
IT500	12v	150AH	505	190	415 MM	59.00 KGS
IT500	12v	180AH	505	190	415 MM	63.00 KGS
IT500	12v	200AH	505	190	415 MM	67.50 KGS
IT500	12v	225AH	505	190	415 MM	68.00 KGS

We Bring forth for our customer exclusive range of tubular battery that is thick and a flat surface. These tubular battery find application in UPS & inverter and solar system and can be customized as per the requirements of our client. Available in bulk quantities, these tubular battery are designed cyclic use in tropical conditions.
